

THE REVERCEL® ANTI-AGING SKIN CARE LINE

Revercel® creates physician-strength products packed with the most powerful anti-aging ingredients in percentages that produce results, all in cosmetically elegant formulas that feel wonderful on the skin. Easy to understand and reasonably priced, Revercel®'s products really work. Specific products include:

Cleansers/Makeup Removers for every skin type.

- **Gentle Blue Cleanser** gently cleanses dry or sensitive skin. \$16.00
- **Papaya Cleanser** combines papaya fruit and salicylic acids to cleanse away dull surface cells. \$28.00
- **Soothing Eye Makeup Remover** gently whisks away all traces of eye makeup, including stubborn waterproof products. \$20.50

Toners clean deeply and stimulate the skin.

- **Sensitive Skin Toner** a refreshing, alcohol-free toner, stimulates cell renewal with citric acid and soothes with chamomile. \$30.00
- **Clear-ifying Toner** is ideal for oily and acne-prone skin because it's perfectly balanced with glycolic and salicylic acids to stimulate cell renewal, and control shine and breakouts. \$30.00

Moisturizers hydrate the skin and inhibit the effects of aging.

- **AM Moisturizer SPF 20+** contains Parsol® 1789, which provides maximum UVA protection, as well as powerful vitamins and green tea extract to neutralize free radicals for additional anti-aging benefits. \$71.50
- **AM Oil-Free Moisturizer SPF 30** is an oil-free moisturizer for all skin types. It's formulated with photosomes, sea plankton that uses light to prevent and reverse sun damage. \$71.50
- **PM** the ultimate, fast-acting anti-aging product, works without irritating or peeling the skin. If you use just one product, this is the one that you need. \$88.00
- **Skin Replenishing Gel** for oily and acne-prone skin is formulated with hyaluronic acid to help restore elasticity and minimize fine lines. \$32.00
- **Sensitive Skin Moisturizer** ideal for normal, dry or sensitive skin, contains liposomes that deliver moisture and protective Vitamins A and E. It helps restore elasticity and minimize fine lines. \$44.00
- **Oil-free Sun Defense SPF 30+** a non-oily, lightweight lotion, is wonderful under makeup for daily age-defying protection. \$28.00

Eye enhancers protect the delicate under-eye area.

- **Eye Perfection Cream** features an exclusive peptide complex, which helps alleviate puffiness and dark circles, while hydrating, firming and reducing fine lines and wrinkles. Vitamin C provides anti-oxidant protection. \$71.50
- **Eye Perfection Serum with Retinol** a treatment fortified with anti-aging retinol, helps prevent premature aging and promote healthy cell function, improving the skin's texture and overall appearance. \$71.50

Specialty products protect, repair and rejuvenate.

- **Vita-C Emulsion** 15% L-Ascorbic acid helps protect against free radical damage. Unique time-released formulation for maximum efficacy. \$75.00
- **Intensive Repair Serum with Retinol** helps restore, repair and protect the skin with a triple combination of retinol and two powerful anti-oxidants, co-enzyme Co-Q10 and Vitamin C. \$82.50
- **Skin Brightening Lotion** Hydroquinone-free formula includes licorice extract to inhibit melanin production, Lumiskin® to slow pigmentation and daisy flower extract to even out blotches. \$65.00
- **Unfold Neck Firming Cream** Special tri-peptide formula reduces the appearance of fine lines and wrinkles around the neck and décolleté for a more youthful, radiant look. \$82.50

Masks and scrubs pamper, refresh and restore.

- **Mint Facial Scrub** featuring peppermint extract and aloe vera, stimulates, exfoliates and refreshes, leaving the skin wonderfully smooth. \$23.00

• **Warming Pumpkin Enzyme Mask** a dramatically deep-cleaning, at-home spa treatment that's packed with active ingredients to nourish the skin and help it to appear fresher, brighter and revitalized. The actual warmth created when the mask is applied, coupled with its amazing pumpkin smell and texture, make this product stand out. \$44.00

Developed by Drs. Rick and Arlene Noodleman, a husband and wife team specializing in anti-aging dermatology and preventive medicine, Revercel® skin care is an artful combination of proven cosmeceutical ingredients, including peptides, retinols, alpha hydroxy acids, botanicals and anti-oxidants combined to produce results-packed products. Revercel® encompasses a wide range of products custom-formulated to address specific skin care needs. Revercel® programs treat oily, dry, sensitive, acne-prone, blotchy or aging skin. By starting on an anti-aging home care program early — even in your teens and 20s — Revercel® helps beautiful, young-looking skin stay that way.
